

KEMPTRONIX

Initiated in technical collaboration with Meutronix of USA. Kemptronix is providing Indian industry with the best of both the worlds, armed with the latest designs and highest reliability, it is making technology available to Indian market at an affordable prices.

Model No.	Description	Specification
A5	2-wire Signal Isolator	24V _{DC} , 4-20mA, 22mm
A6	4-wire Signal Isolator	24V _{DC} , 4-20mA, 22mm
A12	Universal Signal Isolator	230V _{AC} /24V _{DC} , 4-20mA/0-5V/0-10V
A25	2/3 wire Temperature Transmitter for RTD	24V _{DC} , 4-20mA, -100°C to 700°C
A26	Isolated Temperature Transmitter for RTD	24V _{DC} , 4-20mA, -100°C to 700°C
A30	True RMS Signal Isolator	230V _{AC} /24V _{DC} , 4-20mA/0-5V, 300V _{AC}
A31	Thermocouple Temperature Transmitter for J,K,R,S,T,B	230V _{AC} /24V _{DC} , 4-20mA/0-5V
A38	Frequency to Current Convertor	230V _{AC} /24V _{DC} , 4-20mA/0-5V, 0.1~10KHz
